RE : Devonian Gas Production, Inc – (b) (6) Impoundment Site (Upshur County, WV)
Identification and Classification of Aquatic Resources
Wetland Study and Visual Assessment Supplement
CWA-03-2013-0159DW

Dear Ms Andreescu:

We have received correspondence from our constituent, Mr. (b) (6)(b) (6) regarding the above case. He has requested our assistance in obtaining an "After the fact" permit for a farm pond built on his property by the Devonian Gas Company.

From documentation we have received from Mr. (b) (6), it appears there has been some miscommunication between himself, the company and the EPA. Any light you could shed on this matter would be greatly appreciated.

Respectfully,

Susie Azevedo
